Testimonials:

Despite having owned several successful businesses, I was thrilled to learn what else is available to market and network on the internet. Being part of the launch of Select Business Success' support side is exciting and rewarding. I achieved great results easily and effortlessly, which show in my business bottom line.

Peter - Business Consultant

Although confident with my own profession I was looking to promote and grow my business through the internet. One seminar with Elisabeth gave me the skills, tools and understanding to reach a new and wider group of customers and increase my client base. Simple and easy steps made it possible for me to follow and implement.

About the Presenter

Internationally experienced IT specialist and business owner Elisabeth Peischl has an extensive background in IT and business management. She studied in Germany and achieved a degree in Computer Science.

Prior to founding her first business in 1989, Elisabeth worked in leadership roles in a number of major organisations. In 2000, she was commissioned as an industry expert to lead several major Australian Archiving and Document Management Systems projects. She gained enormous exposure to the possibilities presented by the internet to benefit today's business owners.

In early 2005, Elisabeth commenced her second business, AKTE Pty. Ltd. based in Melbourne, which provides businesses with highly professional Archiving and Backup services. She has saved many of her clients many thousands of dollars, and has set in place strategies to help them avoid making costly mistakes that can lead to business failures. In building her business to the success it is today, Elisabeth has applied the **7 Secrets to Business Success**.

Elisabeth knows these strategies work! Learn from her experience, the valuable lessons that will give you the tools for success.
